

ORDINANCE 11-03 WD

AN ORDINANCE REVISING EXCESS WATER USAGE FEES FOR THE ARCH CAPE DOMESTIC WATER SUPPLY DISTRICT.

Whereas, it is the responsibility of the Arch Cape Domestic Water Supply District (the "Water District") to collect monies owing to both the Water District and the Arch Cape Sanitary District (the "Sanitary District"),

And, it has been felt desirable to implement water conservation as called for in the Water District's Conservation Plan,

IT IS HEREBY RESOLVED AND ORDERED that the Water District and Sanitary District adopt the following charges by tier for excess water usage above 5,000 gallons metered use per hookup per month.

Excess usage brackets for the Water District and corresponding charges are as follows: Tier 1 - 5,001 to 8,000 gallons metered use (\$.25 @ 100 gallons); Tier 2 - 8,001 to 12,000 gallons metered use (\$.75 @ 100 gallons); Tier 3 - 12,001 to 16,000 gallons metered use (\$5.00 @ 100 gallons); Tier 4 - 16,001 to 25,000 gallons metered use (\$9.00 @ 100 gallons); and Tier 5 - 25,001 gallons metered use and up (\$15.00 @ 100 gallons).

Excess charges for the Sanitary District are one half (1/2) of the excess water charges calculated for Tiers 1 and 2 and at one hundred (100%) percent of excess water charges calculated for Tiers 3 through 5.

Adopted and signed this 14th day of October 2011, this policy shall take effect on the 1st day of December 2011.
