

ARCH CAPE SANITARY DISTRICT
14-04 SD Safety Committee Policy

The Arch Cape Water and Sanitary Districts shall have a safety committee consisting of the district manager and employees. Monthly safety meetings will be called by the safety officer (the district manager). The goal of these meetings will be to identify safety hazards and unsafe work practices, while planning for the health and safety of staff in the district's loss control efforts.

Adopted: March 14, 2014
